Summary

I am a Mern-stack developer with a passion for creating seamless and intuitive web and mobile apps, coupled with robust and scalable backends.

Experience

Full Stack Developer   **05/2023 to Current**
Metavystic   **Rawalpindi, Pakistan**

- I develop frontend and backend of company projects using Reactjs and Nextjs with Tailwind css and NodeJS with Express and Sequelize
- Deploying their project on AWS server is also included in my job responsibility.

Front End Developer   **05/2022 to 05/2023**
Agronomics   **Rawalpindi, Pakistan**

I started working as a front-end developer and made websites using Next.js and Tailwind CSS. Later, I also worked on the back-end, creating APIs with Node.js, Express, and Sequelize ORM. Plus, I helped put some of our projects on Linux servers.

Skills

- Javascript
- React JS
- Next JS
- React Native
- Typescript
- HTML
- CSS
- Tailwind CSS
- Wordpress
- Node JS
- Postgress
- MySQL
- MongoDB

Projects

- Removefrom Dashboard, 12/2022, 01/2023, This is the dashboard designed for my client, where they can submit, edit, and delete links. Two dashboards have been created, one for the user and the other for the admin. The user dashboard has limited access, while the admin dashboard provides unrestricted access.
- myCabTogo, 06/2022, 07/2022, myCabToGo is a mobile application that offers convenient and reliable cab services to customers. As part of the development team, I designed the application's front-end using the React- Native JavaScript framework.
- KidzQuran, 01/2022, 03/2022, I developed Kidzquran's front-end using NextJS with Tailwind CSS. Currently, I am building the admin panel using ReactJS with Tailwind CSS to display student's and teacher's details. The platform's backend is being developed using NodeJS, MySQL database, and Sequelize.

Education

BSCS   **07/2022**
University of Central Punjab   Lahore

Accomplishments

Professional Development Mentor, 01/2023, 01/2023, I have served as a technical mentor to junior developers, equipping them with the necessary skills and knowledge to enter the professional workforce and pursue online employment opportunities.
